Preparation workshops for children who speak a foreign language and are starting school in the fall

Dear Madam, Dear Sir,

The City Hall, in collaboration with the primary schools of Nyon, will be organising for the first time various workshops for children who are beginning school in August 2024, and speak little or no French at all.

This integration project is designed for families of foreign culture and language, and meant to help them discover the school environment and initiate them with the French language through various games and creative activities.

The workshops are free, and should be booked beforehand. 8 thematic workshops will take place between March in June 2024, either at school or in a Youth House. They will be hosted by a Coordinator, as well as various professionals depending on the subject.

An information evening is planned on the 20 of February 2022 - 18h00, at the “maison de quartier” of La Redoute (Chemin de la Redoute 12). To confirm your participation, please fill-in the subscription form below, which is due back at the latest Friday 16 of February 2024.

Should you have any further questions, please do not hesitate to contact us either by mail integration@nyon.ch, or by phone 022 316 41 07 or 022 316 40 80.
